## ONE CALL – WE FIX IT ALL!

We never subcontract work to other companies. All jobs are handled directly by our in-house team of skilled professionals, carefully selected for their qualifications, employment history, and proven professionalism.

SmartFix Thailand offers certified home repairs and 24/7 emergency service island-wide. Tired of unreliable handymen? Our trusted, English-speaking professionals deliver top-quality work—backed by a 1-year guarantee. From plumbing and electrics to roofing, mold removal, and renovations, we handle it all under one roof. Whether it's urgent repairs or routine maintenance, enjoy clear communication, fast response, and expert care. Ideal for homeowners, investors, and rental managers—SmartFix is your single point of contact for all property needs in Phuket.
